March 12, 2020

In light of the NC state recommendations regarding Covid-19 on large gatherings and in the best interest of our members, our community, and our employees, we have made the difficult decision to cancel all Weymouth Center events until April 20. We will reschedule as many events as possible and announce those dates in the future.

We are also closing the Boyd House to visitors during the same time although the essential task of running the business of Weymouth Center will continue. Please know that the Gardens and Grounds will remain open and free to the public, seven days per week dawn to dusk.

If you need to meet with staff, please contact our Executive Director, Ry Southard 970-390-1365 cell or rysouthard@weymouthcenter.org for a meeting. If not, we kindly ask that you give us a call 910-692-6261 or send us an email weymouthcenter@pinehurst.net so we can assist you.

Your ongoing support is essential to keeping the Weymouth Center, its beautiful house and grounds and its storied programs, an integral part of the fabric of the Sandhills, today and in the future. We count on programming, events, sponsorships and donations to help keep the doors open and the grounds maintained and in these uncertain months ahead, we will need your help more than ever. We truly appreciate your generosity.

If you have already purchased a ticket for an event, we will honor it on the rescheduled date. If you would like a refund, please email Brittany McFalls weymouthcenter2@gmail.com with questions or requests.

We encourage you to check on the Weymouth website for the latest updates.

With appreciation and my best,

Kathryn Talton
President, Board of Directors
Friends of Weymouth, Inc.
